CONDUCT, PLAY AND STEP INSIDE THE PHILHARMONIA ORCHESTRA WITH ESA-PEKKA SALONEN

Between 3 and 15 November the Bargehouse is home to the first ever orchestral digital residency as Esa-Pekka Salonen and the Philharmonia Orchestra transform the space into a huge virtual orchestra. Using kilometres of cable and over 20 video projection screens, a 29-camera audio-visual recording of the Orchestra performing Stravinsky's *The Rite of Spring** will bring the building alive and give you the chance to experience an orchestra from the inside. Use the exhibition plan to see how you can be a part of the orchestra.
